

> Bamboo POWER Roll Up

This Roll Up is for the individual or company concerned about the environment. Constructed of Bamboo, this model is ECO Friendly. Not only is the Roll Up biodegradable but so is the graphic panel. We print on ECO Banner material which is 90% biodegradable in a proper landfill. We ship this model in a cardboard box.

For added protection we offer a hard plastic carry case. See Accessories on our web site. The viewing graphic size is 33.5" x 77.5".

- **Cost Effective**
