

## > POWER "Y" Banner Stand

The "Y" Banner Stand is extremely cost effective, sets up in seconds and packs in a compact canvas bag with a sturdy tube insert. The stand has 3 support feet with an adjustable column to allow for a variety of graphic sizes. The graphic can start from the floor or at waste height. The "Y" Banner Stand allows for a graphic on both sides. Standard widths are: 23.625", 31.4375" and 47.25". Graphic heights can vary from 40" - 80".
